

Infographic: 6 Ways To Engaging Learners A Lot More

- S Sticky Pieces** – Create interesting and challenging activities for the Learner to do between the 'classroom' training.
- T Timely** – Provide the activities at the points where the learner chooses to lose or keep their Learnings.
- I Individual** – Teach the learner in 'Learning to Learn'.
- C Curve** – Understand how much Learners forget and why. Search the 'Forgetting Curve' as a start.
- K Knowledge Vault** – Provide the Learner with a resource for them to self discover. Ideally laid out as 'cupboards' of skill, and then shelves that relate to each learning objective.
- Y Your Chain of Evidence** – Assess progress on 5 levels building a Chain of Evidence that demonstrates long term behavioural change.

Are you struggling to demonstrate the return on investment you get from your training?
