|--|---|--|---|
| Friendly, quiet, curious, loyal, kind & altruistic       | An inborn sense of idealism and morality                              | Inspiring leader   | An enthusiastic, creative, and socially free spirit |
| Optimistic   | Strong faith  | Truly altruistic   | Relationship oriented                               |
| Weak at facts, numbers, and data                         | Needs to take care of themselves                                      | Idealise the good things in others                                       | Look for a deeper meaning                           |
| Hard to decide what to do for the future                 | Looks for meanings and connections in everything, curious, insightful | Too nice to people even to the point that they feel burdened or tiresome | Optimistic, warm, imaginative                       |
| Okay with no social accomplishments if they can be happy | Pure, sincere, and altruistic   | Empathetic, in touch with the feelings of others, responsive to feedback | Well-spoken   |
